Children do wear holes in Pony Stockings, but not every day or every week. Pony Stockings wear and wear before they need attention. They wear so well because of quality—all round merit. Not a stocking made in America today has so much real value for 25c as the Pony Hose for Children.

It Pays to Buy a Good Overcoat

One good Overcoat will give you good service for about three years and if it is one of our "Rosman Union Made Overcoats" it will still have shape and style when you are through with it. It is extravagance to buy cheap shoddy woollens. They don't last. We don't mean that you should pay a big price, but you should pay enough to get a dependable garment. Let us suggest a "Rosman" Overcoat at \$10.00 to \$22.00. If you want a still better one we have it for you. We will guarantee the cloth, the fit and the workmanship. If you are in doubt, we are going to recommend one of our \$15.00 garments, for we know that it will give you \$20.00 worth of satisfaction. Suits from \$5.00 to \$22.00. Give us a call.
